

Event Objective:

Started the GoPals chapter in Chennai to raise awareness of local cow breeds and protect them in their area.

Nature of Activity:

GoPals organised the event "Gou Sangama 2022" with the help of enthusiastic volunteers from GoPals. The organization's goal is to raise knowledge of several native Indian breeds of cows, an organic way of life, and traditional farming methods for a sustainable way of life. The GoPals event will feature tasks like cleaning the Goushala and a lesson on native Indian cows and how they affect our way of life.

Time Duration:

Event Date:

07.08.2022

Event Timing:

9.00 AM to 11:00 AM

Event Location:

Panchavadi Goshala,
South Mada st, Kolathur, Near Mambakkam,
Chennai, Tamil Nadu - 600 127.

Event Details:

- Cleaning of Gaushala and its surrounding areas.
- Giving Gaumatha food (a few items brought by volunteers)
- Pooja to Gaumatha (Gau Pooja by each of the participants)
- Explaining to the new volunteers the importance of the event and the significance of conserving the local cows
- planning for upcoming events in the following years.

Synopsis:

The volunteers gave very great feedback and expressed gratitude for the opportunity to interact with nature and experience the vitality of Desi Indian Cows.

- The Chennai Coordinators team and other like-minded individuals intended to meet once a month.
- In addition to our usual activities, this will be our monthly activity.
- Most importantly, there are different methods for each person to support our effort to rescue native cows, and the simplest one is by volunteering with Team GoPals in the Gaushala for the regular city-wide events.
- It's better late than never, so if you think any of your friends, relatives, or family members could have missed this event and could have benefited from it, we encourage them to participate and support us.
