

Breaking News GoPals is making a significant impact!

Breaking News **GoPals** is making a significant impact! conversation with **Shri Shantanu Gupta, Special Advisor to the UP Government**, has led to a remarkable initiative. This year, Dev Deepawali in Kashi will feature 12 lakh lamps, with thousands made from eco-friendly **cow dung**, highlighting sustainable practices.

GoPals' Impact Highlights:

- ❖ Eco-Friendly Lamps: 12 lakh cow dung lamps will illuminate Kashi's ghats, promoting environmental conservation.
- ❖ Provincial Fair Status: Dev Deepawali has been declared a provincial fair, enhancing its grandeur and spiritual significance.
- ❖ Community Engagement: Public participation will light up over 84 ghats, ponds, and tanks.
- ❖ Cultural Preservation: Centuries-old historical ghats will be showcased with facade and electric lights.

The UP Government's decision is a testament to GoPals' influence in promoting sustainable living and community-driven initiatives. conversation with Shri Shantanu Gupta has contributed to this spectacular celebration, inspiring a positive impact on the environment and local environment.
